PROCLAMATION FROM THE BOROUGH OF NEW EAGLE

March 13, 2020

As a result of the evolving situation COVID-19 global pandemic, the Mayor of New Eagle is issuing this Proclamation.

Because the safety and security of the New Eagle residents and surrounding communities is our top concern, the Mayor and New Eagle Borough Council has been monitoring the progress of the COVID-19 outbreak and assessing what other communities are implementing to help prevent the continuous spread of this virus.

Therefore, the Mayor and Council are recommending that all activities held within the Borough of New Eagle with expected attendance of 250 or more be cancelled until further notice.

Preventative behaviors and hygiene etiquette include:

1. Cover your mouth and nose with a tissue when you cough or sneeze. If a tissue is unavailable, cough or sneeze into your upper sleeve. Avoid coughing or sneezing into your open hands.
2. Wash your hands with soap and warm water for at least twenty seconds. Use hand sanitizer when available.
3. Monitor yourself for symptoms and if any occur, contact your Primary Care Physician.
4. Anyone returning from a country that is designated as a CDC issued level 3 travel advisory should self-quarantine for 14 days and report any symptoms to the CDC.

If you have any questions or concerns, please contact the New Eagle Borough Administration Office.

Charles Fine, Mayor

Jack Fine, Council President
